Dear KSF Member

Not many days left and we will all meet in Lucerne. We are working hard on making it a fabulous meeting and are looking forward to welcoming you to Switzerland. Here some more information:

For those of you who arrive by plane in Zurich:

- Our people will be waiting for you once you have picked up your luggage and cleared the customs, so look out for them and **don't leave the arrival hall.**
- They will provide you with a train ticket for the train (Zurich Airport - Lucerne).
- They will accompany you from the airport to the railway station (about five minutes walk) and put you in the right train.
- Please do not leave the train in Zurich, but remain seated till Lucerne (the journey takes just over an hour, so relax and enjoy the view).
- Our people will pick you up at Lucerne railway station (simply walk to the end of the platform) and walk with you to the hotel (about five minutes).
- In Lucerne you can use the public transport for free - the hotel will provide you with a personalised ticket.
- For your return on Sunday we will provide you with a ticket and post the train times from Lucerne to Zurich Airport in advance. It is your own responsibility to make your way to the railway station and catch the right train - if you already want to check the times, you can do this here:

For those of you who do not arrive by plane in Zurich:

- You will have to make your way to the hotel in Lucerne on your own. We will welcome you in the lobby of the hotel on Wednesday October 11, from 9:00 onwards.
- Here you find information about the hotel and how to arrive there:

- In Lucerne you can use the public transport for free - the hotel will provide you with a personalised ticket.
- If you arrive by car you can make use of the deal of the hotel with the railway station's multi-storey car park (only 25 instead of 52 francs a day). If you want to make use of this option simply park in the car park and exchange your ticket in the hotel for a valid exit ticket on the day of departure.

IMPORTANT: The rooms in the hotel are available from **16:00** onwards on the day of arrival but you can store your luggage in the hotel if you arrive early.

The weather in Switzerland at this time of year is very hard to predict. Of course we hope for lovely sunny autumn weather, but it can also rain, be foggy and cold, or even snow! So be prepared and bring an umbrella and some warm clothes. As we will be walking to the school to do our work, a 20 minute walk, you should bring good shoes - you can check the weather here:

For those of you who are not able to walk this distance, please inform us, so that we can organise transport for you.

You will get a badge with your name and your country on it. Please wear this badge all the time as it also indicates whether you have a special menu or not. Thanks!

If you have any more questions, either consult our website (where you will also find all the pictures of the meeting):
